NEWS FROM THE ADVANCEMENT OFFICE

Welcome students and parents to our new 2011-2012 school year!

Things are moving along quite quickly this year and we have two items of interest for you already. Our 22nd Annual Golf Tournament will be held on Tuesday, September 13th at Fairview Farm Golf Course in Harwinton. You will see more information in this Eaglet. It is an awesome day, but we are still in need of many volunteers. You don't have to be a golfer to help and it's lots of fun. Please call the Advancement Office at 860-379-5410 if you can help.

Also, your child will be bringing home Walk-a-thon mailers today. These are for you to mail out to family and friends who may not live nearby. Our Walk-a-thon is scheduled for Sunday, October 2nd from 12:00 to 2:00 at the Winsted Knights of Columbus on Marshall Street. 85% of your funds raised will be put directly toward your parent commitment, even if you cannot make it to walk on that day! Thanks so much for helping to make this a great year for SAS!!!

ST. JOSEPH PARISH SCOUT NEWS

Cub Scout Pack 17 will host a Joining Night on September 12th at 6:30 in the cafeteria. Boys in grades 1 to 5 are encouraged to bring a parent and join Cub Scout Pack 17. Representatives of the Pack will be available to answer any questions.

Do you have information you need to share with fellow St. Anthony School families? Submissions received by 3:00 Thursday will be published in the Eaglet the following day. You can email information to saspublicrelations@hotmail.com or send it to the office marked "Eaglet". When there is no school on a Friday, the Eaglet will go home on Thursday and the deadline would then be Wednesday at 3:00. This is your newsletter, utilize it to spread the word about important happenings within our school community!

ALTAR SERVERS NEEDED!

Have you ever thought about being an altar server? Being an altar server is very good way of being closer to your faith and contributing to your parish. It also helps to build a sense of community and responsibility because of the teamwork involved and the sacrifices which sometimes have to be made. Duties of an altar server include: Sunday, weekday, wedding, funeral and holy day Masses; special occasions such as holy week and other services. The role of an altar server is vital to the liturgy of the Catholic church. We look with pride and gratitude to these boys and girls (at least 4th grade) who are willing to give themselves to help St. Joseph Church. Applications are available at the church doors; please return them to the parish or school office.

UNIFORM CLOSET

Whether you have items to pass on or you are looking for new items, don't forget the uniform closet as your children outgrow their uniforms. You may drop off items for the closet, which is in the janitor's closet off the cafeteria, browse through what is already there or both! Many shirts, pants, skirts and jumpers as well as sweaters and gym uniforms are available in different sizes and are free of charge! Take a look...what you need may be there waiting for you!

Hello SAS families and supporters! Your Box Tops Team is back and filled with anticipation about the new school year...and earning money for our great school with Box Tops for Education (BTFE)!

If you're not familiar with BTFE, it's a national program started by General Mills in 1996. Since then, schools have earned over \$400 MILLION dollars!!! Participating products come with a little clippable coupon which looks like the one in the upper left corner of this page. Each one is worth 10 cents cash. "That's nice", you may think, "but it's only 10 cents, hardly worth taking the time to cut it off the box." Well....last year SAS families and supporters turned in over TEN THOUSAND Box Tops, (I know, I counted every single one!) which brought our school over \$1,000.00 CASH! Not only that, parents entered Box Tops sponsored sweepstakes---one of which we won to the tune of \$2,500 CASH! Wow! Over \$3500.00 for SAS!

It's not only parents who are affected by the faltering economy, but also our schools. There's not a lot of money kicking around for extras, and school administrators are understandably reticent to ask for extra \$\$ for equipment, books, toys, playground equipment, and musical instruments when families give so generously already. That's where the Box Tops program comes in. The beauty of it is that no one is asking you to open your wallet, except for the things you already buy at the grocery store. Cheerios, Juicy Juice, Land o' Lakes butter, Kleenex, Yoplait yogurt, Hefty trash bags, Green Giant frozen veggies, Fruit Roll-up snacks, Welch's grape jelly, Old el Paso taco kits, Cottonelle toilet paper, Brita water filtration systems, Hanes t-shirts, and Avery school/business supplies are among the hundreds of products that participate in the program. So...when your product is unwrapped or empty, clip the coupon and save them in a baggie or envelope, and turn them in at school! It's that easy. Follow this link for a complete list of products: <http://www.boxtops4education.com/earn/clip/Brands.aspx>

I know some families who between work, homework, sports, and extracurricular activities barely have time to breathe and don't have the extra time to remember to clip and save. You could consider asking your kids' grandparents or your neighbors to save for SAS also!

Next week, we'll tell you about another fantastic way to earn \$\$ for SAS through Box Tops for Education, which asks for nothing extra from you except doing the on-line shopping you were already planning to do! Until then....keep clipping!! Woo-hooo!

LABELS FOR EDUCATION

Don't forget that our school is still collecting Labels for Education! Its so easy! Step 1: Clip and save UPCs and beverage caps from participating products. Step 2: Give the UPCs and beverage caps to your school classroom. Step 3: Earn FREE Stuff for our school! We can redeem *Labels for Education* points for FREE educational resources. Participating brands and products include: Bic® Ball Pens; Bic® Dry Erase Markers; Bic® Ecolutions™ Bic® Gel; Bic® Highlighters; Bic® Mailing Labels; Bic® Mechanical Pencils; Bic® Permanent Markers; Bic® Roller; Bic® Wite-Out® Brand Correction Tape; Campbell's® Beans; Campbell's®; Campbell's® Chunky; Campbell's® Food-service; Franco-American®; Campbell's® Gravies; Campbell's® Healthy Request; Pepperidge Farm®; Prego®; Campbell's® Select Harvest™; Campbell's® Soup; Campbell's® Soup & Recipe Mix; Campbell's® Soup at Hand®; Spaghettios; Swanson; Campbell's® Tomato Juices; V8 Beverages; V8 Splash®; V8 V-Fusion®; V8® Soup; Pop-Secret 100 Calorie; Pop-Secret 10-Count; Pop-Secret 3-Count; Pop-Secret 6-Count.

Would you like to volunteer some time to help with cutting and counting labels?

If so, contact the program coordinator, Kelly Lyder at 738-7622. Thank you!

NEWS FROM THE COMPUTER LAB

As you may have heard from your child(ren), students are now being asked to set up a Google Docs account which will enable them to create Word, Excel and Powerpoint documents and save them online. The method of utilizing usb drives has lead to issues of lost or forgotten drives resulting in work not being turned in on time or work being lost completely. Utilizing Google Docs will allow the students to create and save their documents online where they can access them from home and school, avoiding the need for the expense of usb drives. A Google email account (in your child's name or your name) is needed to access Google Docs. You may visit docs.google.com for information, tutorials and to set up the accounts. If you have any questions, please call the school and leave a message for Mrs. Baldyga and she will get back to you.

WELLNESS POLICY

Pursuant to page 16 of the school Handbook, please be reminded that when sending food items in to school that are to be shared, parents are asked to send in healthy snacks such as fruits/veggies, cheese/crackers, pretzels, pudding, etc. Furthermore, baked goods (store bought or homemade) are not allowed for birthday celebrations. Due to limited freezer space at school, if you choose to share a frozen treat, only ice cream purchased through the Winchester Lunch Program is allowed. Please contact the kitchen to provide at least one week's notice to ensure availability of ice cream.

BOOSTER CLUB NEWS

The first Booster Club meeting of the year will be held on Wednesday, September 21st at 6:30 in the Before & After School Program Room. If your child is currently participating, or is planning to participate in the sports programs at SAS, we need you. Please consider joining us for a brief meeting to discuss the fall and winter sports programs, and also to begin planning of the 2011 Pigeon-Eagle festivities. The Booster Club sponsors the

Cross County, Basketball and Cheerleading teams and we need your help to ensure the continued success of these programs. We currently have openings for the positions of Vice-President and Secretary; if interested, or if you have any questions, please contact Kim Huber at 860-738-0487 or kimdhuber@yahoo.com. Not interested in being an officer? Please join us as an Open Member; we would love to see you!

BOX TOPS FOR EDUCATION NEWS

Hello again BoxToppers! How many of you do on-line shopping? Most of us have, I bet. As promised last week, I'm going to show you a different way to collect Box Tops for SAS!

It's called the Box Tops Marketplace, first introduced to schools and parents in 2001. In the ten years since its inception, the program has grown to include hundreds of your favorite on-line merchants! How does it work? When you plan to do on-line shopping, take one extra step to sign onto www.boxtopsforeducation.com and take literally 30 seconds to create your account naming St. Anthony School as the recipient. Once done, click on Box Tops Marketplace and choose your favorite merchant (Lands End, for example). You will immediately be redirected to Lands Ends' safe, secure website and you would do your shopping as you normally would.

When done, a percentage of your purchase goes directly to SAS, at no extra cost to you! The Marketplace will never ask for ANY personal information from you (including credit card numbers)...as said, you are brought directly to your merchant's secure website, and the transaction takes place solely between you and your merchant! Intrepid SAS families have already shopped on-line in this manner and in the 2011-12 school year have ALREADY earned SAS over \$20.00. That's equivalent to turning in over two HUNDRED Box Tops! So let's say you plan to do some Christmas shopping or your kids grew so much over the summer that you need to replace their winter jackets...or Fido needs the Frontline that you buy at 1-800-Pet-Meds. Do it through the Marketplace and earn a percentage for SAS! It adds up so quickly! Studies of schools that have earned the most Box Tops dollars show that the bulk of their earnings comes from the Marketplace rather than from the traditional clipping of BT coupons. Tell you what. Do you need an incentive? I will award a \$15 gift card to the first person to successfully post a Marketplace purchase (as evidenced by an email or phone call to me, along with notification I get from Box Tops that a purchase has been made). Don't worry, Box Tops doesn't tell me WHO made the purchase or WHAT you bought, only that a purchase to, say, "Shoes.com" has been made, and "xx" number of Box Tops cash will be awarded to SAS once the purchase goes through. If you'd like a chance at that gift card, be the first person to make a purchase on the Marketplace, call or email me to tell me about it, and once I get the notification from Box Tops, that gift card is YOURS! Woo-hooo!!!! Easiest thing ever!!

If you have trouble signing on to make an account, email or call and I'll walk you through it. It is usually very simple--30 seconds or so.
